Sprint 2 Report - Slug N Found
July 8, 2019

Names: Jacqueline Montes - De Leon, Jasleen Kaur, Gurpreet Singh, Steven Dinh, Cesar Amaya, Haize Zhang

Actions to Stop Doing:

Our team has decided to stop communicating through text messaging so much and instead use video chat such as zoom. We get confused because we don't really understand another person through and it would be better if we communicated through video chat.

Actions to Start Doing:

Our team has decided to work more on the project together so in case one of us gets stuck, another person can help the other person. Our team team has decided to communicate through video chat and screen share so we help each other better.

Actions to Keep Doing:

Our team has decided to keep working hard on the project. Some of us struggle with certain aspects of the project, but we are motivated to learn.

Work Completed:
1. As a user, I want to be able to see all the pictures of items found/lost in a gallery, so that I can easily spot my lost item.
2. As a user, I want to be able to upload posts(pictures & details) that I find on campus, so that it can be easier for other students to find lost items.
3. As a user, I want to be able to view messages that I've sent to other users so that I can see if someone found my lost item.
4. As a user, I want to navigate through the web pages so that I can parse through the website in a convenient and organized manner

Work Not Completed:
1. UI Design for item submit page

Work Completion Rate:
Total Number of Completed User Stories: 3.5
Ideal Number of Hours: 30 hours
Total Number of Days: 6
User Stories/Day: 0.6
